

Atlanta 2006 – Mastering the Mitochondrial Maze

June 14-17, 2006

Scientific Order Form

- CD** Role of Mitochondria in Controlling Behavior in Volatile Anesthetics: from Worms to Children, *Margaret Sedensky, MD*
- CD** Mitochondrial and Nuclear Genetic Determinants of Mitochondrial Compartment Morphology and Distribution, *Peter E. Thorsness, PhD*
- CD** Mitochondrial Function in Yeast Models of Neurodegenerative Disorders, *Antoni Barrientos, PhD*
- CD** Regulation of the Active/De-active Transition of Mitochondrial Complex I and Small Molecule Inhibitors, *Gary Cecchini, PhD*
- CD** Protein Misfolding, Cell Death and the Mitochondrial Permeability Transition, *John J. Lemasters, MD, PhD*
- CD** Mechanisms of Mitochondrial Complementation in Human Cells Harboring Pathogenic mtDNA Mutations, *Giovanni Manfredi, MD, PhD*
- CD** Intrinsic Signals of Mitochondrial Apoptosis, *Britton Chance, MD, PhD, ScD*
- CD** Oxidative stress and Mitochondrial Function - Implications for Pathogenesis and Treatment of Respiratory Chain Defects, *Simon Heales, PhD, FRCPath*
- CD** The Use of Mitochondrial-Targeted Restriction Endonuclease to Alter Mitochondrial DNA Heteroplasmy, *Carlos Moraes, PhD*
- CD** Defects in the Assembly of the Respiratory Chain and the Mystery of Tissue Specificity in Mitochondrial Disease, *Eric Shoubridge, PhD*
- CD** Friedreich Ataxia: A Paradigm of Neurodegenerative Disease Resulting from Mitochondrial Iron Imbalance, *Grazia Isaya, MD, PhD*
- CD** Regulatory Interactions between Quinol Oxidation and Quinone Reduction Sites in the Cytochrome bc1 Complex and Their Physiological Functions, *Bernard Trumpower, PhD*
- CD** Therapeutic Strategies, *Salvatore DiMauro, MD*
- CD** Delaying (or Accelerating) the Mitochondrial Decay of Aging, *Bruce Ames, PhD*
- CD** Therapeutic Interventions Against Oxidative Impairment of Mitochondrial Energy Metabolism, *Gary Fiskum, PhD (No handout available)*
- CD** Mitochondrial Dysfunction in Huntington's Disease and Emerging Therapies, *Robert Ferrante, PhD, MSc*

COST Includes shipping:	UMDF Member	Non-Member
	\$10.00 per Audio CD	\$15.00 per Audio CD
	\$ 2.00 per handout to accompany CD	\$ 2.00 per handout to accompany CD
	\$25.00 Course Syllabus	\$30.00 per Course Syllabus

Name: _____

Address: _____ Phone _____

City: _____ State _____ Zip _____

Payment: _____ Check _____ Mastercard _____ Visa _____ American Express _____ Discover

Credit Card Number: _____ Expiration Date: _____

Name as it appears on the card: _____

Total amount to be charged: _____

UMDF - 8085 Saltsburg Road Suite 201 – Pittsburgh PA 15239
