Fall Into a Cure

Gala and Silent Auction

Benefitting the
DC/Virginia/Baltimore Chapter
of the *United Mitochondrial
Disease Foundation*

Every **30 minutes**
a child is born who will
develop mitochondrial
disease by age 10.

This group of diseases
is approaching the
frequency of
childhood cancers.

There is **no cure** for
mitochondrial disease, a
life threatening condition
that can be fatal.

Join us for an evening of great food,
drink, and a chance to bid on phenomenal
auction items that rival the Fall Equinox!

Help us Redefine Hope
for Persons Affected by
Mitochondrial Disease
