**AACT Purpose**

**To represent and serve the unique needs of the affected adult community and to ensure that those needs are adequately represented to UMDF resulting in enhanced services to the affected adult population. AACT is a liaison to the UMDF Board of Trustees whom will assess and evaluate, provide advice and guidance, and make recommendations to UMDF on all adult related issues and/or needs.**

# AACT- ADULT CORNER PAGE

Happy New Year from the UMDF Adult Advisory Council Team (AACT)! We send you wishes of good health, joy, and blessings for 2019.

Reminder... To visit the AACT Website and to tap into its many links, pages, and special announcements at [www.umdf.org/aact](http://www.umdf.org/aact).

We look forward to seeing you throughout the year at upcoming UMDF meetings, events, and especially at Mitochondrial Medicine 2019 in Washington, DC the end of June. Details at [www.umdf.org/symposium](http://www.umdf.org/symposium).

FYI... Symposium registration and hotel reservations will open soon. Hotel rooms will likely fill quickly so we highly recommend booking your reservation as soon as possible.

Also, we invite you to share your voice about living with mitochondrial disease by participating in our Externally-led Patient-Focused Drug Development meeting. Learn how you can register to participate at [www.umdf.org/pfddmeeting2019](http://www.umdf.org/pfddmeeting2019)

To view the current UMDF Calendar at [www.umdf.org/events](http://www.umdf.org/events). It is a privilege and joy to represent, serve, and support you. All the best in 2019!

Joy & Gail  
UMDF AACT Co-Chairs
