GENERAL RESOURCES - NATIONAL

Note: the following resources are listed in alphabetical order and not by category.

4 Paws for Ability

Their “mission is to place quality service dogs with children with disabilities and veterans who have lost use of limbs or hearing; help with animal rescue, and educate the public regarding use of service dogs in public places.”

Address: 253 Dayton Ave., Xenia, Ohio 45385

Email: karen@4pawsforability.org

Phone: 937-374-0385

Website: www.4pawsforability.org

Aaron's Tracheostomy Page

Information on the nuances of pediatric trach care that may be helpful for many disabilities

Email: tracheostomy@bissells.com

Disclaimer:

Inclusion of particular professionals, services, products, or organizations does not imply endorsement by
UMDF.

Website: www.tracheostomy.com

Adolescent Health Transition Project

A resource for adolescents with special health care needs, chronic illnesses, physical or developmental disabilities” as they transition from pediatric to adult health care.

Phone: 206-685.-350

Website: www.depts.washington.edu/healthtr

AdvoConnection

Find patient advocates, health navigators and coaches, care and case managers, insurance navigators, and other professionals in your state. Some may charge a fee for services.

Email: info@aphadvocates.org

Website: www.advoconnection.com

Allsup Medicare Advisor

Whether you’re enrolling for the first time or reconsidering your current Medicare plan, Allsup Medicare Advisor offers personal assistance to help you find the plan that provides the coverage you need.

Phone: 866-521-7655

Website: www.truehelp.com/healthcare-assistance/healthcare-assistance-for-individuals/medicare-advisor

Allsup SSDI

Provides free online Social Security Disability Insurance assessment with empower® by Allsup and SSDI representation.

Website: www.allsup.com/a-better-way-to-apply-for-ssdi

Alzheimer’s Association

Works on a global, national and local level to enhance care and support for all those affected by Alzheimer’s and related dementias. Per UMDF regional coordinator, Margaret Moore, they are willing to offer support to patients with dementias related to mitochondrial disease.

Phone 800-272-3900 / tdd: 866-403-3073

Website: www.alz.org

American Association on Health and Disability

AAHD is dedicated to the advancement of theory, knowledge and practice in the prevention of secondary disabling conditions and promotion of health and wellness for people with disabilities. Among other programs, includes emergency preparedness information by state, and college scholarship program.

Disclaimer:

Inclusion of particular professionals, services, products, or organizations does not imply endorsement by UMDF.

Phone: 301-545-6140
Website: www.aahd.us

American Cancer Society

At the American Cancer Society, we're on a mission to free the world from cancer. Until we do, we'll be funding and conducting research, sharing expert information, supporting patients, and spreading the word about prevention. All so you can live longer — and better.

Phone: 800-227-2345
Website: www.cancer.org

Association of Gastrointestinal Motility Disorders, Inc (AGMD)

Education, information, and support for patients suffering from digestive motility disorders. Includes cyclic vomiting and pseudo-obstruction disorders.

Email: digestive.motility@gmail.com
Phone: 781-275-1300
Website: www.agmd-gimotility.org

The Arc

The Arc is the world's largest community based organization of and for people with intellectual and developmental disabilities. Works to include all children and adults with cognitive, intellectual, and developmental disabilities in every community.

Phone: 800-433-5255
Website: www.thearc.org

A compilation of web pages and books of potential interest to nonprofit organizations seeking funding opportunities related to health. It also contains information about funders who provide assistance to individuals coping with catastrophic health problems.

Phone: 800-500-1554

Website: www.staff.lib.msu.edu/harris23/grants/2health.htm

Modest Needs Foundation

Provides modest financial assistance to low-income individuals/families for a specific need. We have designed our programs to help those who work hard and have nowhere else to go for assistance, as well as those who give back to our communities and country such as public school teachers, first responders, veterans returning from service abroad and active duty military members. Our aim is to support those who don't generally qualify to receive assistance from conventional agencies so that they don't find themselves losing everything because of a short-term crisis.

Phone: 844-667-3776

Website: www.modestneeds.org

Mommies of Miracles

An "international peer-driven support group of mothers who have children of any age (infant-adult) with complex medical issues, rare or undiagnosed conditions, and/or developmental disabilities." Their mission "is to eliminate the isolation mothers of exceptional needs children experience on a daily basis by providing an extended network of resources, products & services, grief support, family matching, and hope."

Website: www.mommiesofmiracles.com

Disclaimer:

Inclusion of particular professionals, services, products, or organizations does not imply endorsement by UMDF.

M.O.R.G.A.N. Project

Promotes “awareness and support of parents caring for their special-needs children, and to enhance the quality of life for these special families.” Includes small equipment grants and first-time attendance grants for related conferences.

Phone: 321-506-2707

Website: www.themorganproject.org

MUMS National Parent-to-Parent Network

Mothers United for Moral Support is no longer a Parent-to-Parent matching organization, but will continue to provide information and resources.

MUMS will also continue to provide a listing of Hyperbaric Oxygen Therapy clinics that will treat off label conditions.

Website: www.mums-network.org

Muscular Dystrophy Association

MDA is leading the fight to free individuals — and the families who love them — from the harm of muscular dystrophy, ALS and related muscle-debilitating diseases that take away physical strength, independence and life. We use our collective strength to help kids and adults live longer and grow stronger by finding research breakthroughs across diseases, caring for individuals from day one and empowering families with services and support in hometowns across America.

Email: mda@mdausa.org

Phone: 800-572-1717

Website: www.mdausa.org

Muscular Dystrophy Family and Friends Foundation (MDFF)

The Foundation has only one mission; to provide adaptive equipment and emotional support to individuals and families affected by one of over forty neuromuscular diseases covered under our program. Some of the adaptive equipment provided by MDFF are wheelchairs, hospital beds, van lifts, ramps for family homes, shower chairs, bath chairs, lift systems, breathing machines, clinic services, communication devices, braces and social outings. Support is available 24/7. MDFF provides service to children and adults regardless of race or income level.

Phone: 317-615-9140

Website: www.mdff.org

National Association of Hospital Hospitality Houses

The Healthcare Hospitality Network, Inc. (HHN) is a nationwide professional association of nearly 200 unique, nonprofit organizations that provide lodging and support services to patients, families and their loved ones who are receiving medical treatment far from their home communities.

Disclaimer:

Inclusion of particular professionals, services, products, or organizations does not imply endorsement by UMDF.

Phone: 800-542-9730
Website: www.hhnetwork.org

National Association of Insurance Commissioners (NAIC)

Locate insurance commissioners for all 50 states. Mission includes protecting the public interest and facilitating the “fair and equitable treatment of insurance consumers.”

Email: help@naic.org
Phone: 816-783-8500
Website: www.naic.org

National Family Caregivers Association

Caregiver Action Network (CAN) is the nation’s leading family caregiver organization working to improve the quality of life for the more than 90 million Americans who care for loved ones with chronic conditions, disabilities, disease, or the frailties of old age. CAN serves a broad spectrum of family caregivers ranging from the parents of children with special needs, to the families and friends of wounded soldiers; from a young couple dealing with a diagnosis of MS, to adult children caring for parents with Alzheimer’s disease.

Email: info@caregiveraction.org
Phone: 202-454-3970
Web: www.nfcacares.org

National Hospice and Palliative Care Organization/National Hospice Foundation

Provides free referrals to the public for hospice listings across the United States and internationally. Distributes free packets of general information describing hospice services and the Medicare Hospice Benefit.

Phone: 703-837-1500
Website: www.nhpco.org

The National Inclusion Project

The National Inclusion Project serves to bridge the gap that exists between young people with disabilities and the world around them. Supports “communities and programs in creating awareness and opportunities for full inclusion...” Provides assistance and grants for inclusion, education, programs, training, and symposia.

Email: contactus@inclusionproject.org

United Mitochondrial Disease Foundation (UMDF)

UMDF supports newly diagnosed patients with critical information on treatment and care. Our vast online viewing library provides countless topics on living with mitochondrial disease. When a patient or family member calls or emails the UMDF, we try to answer questions quickly. If there is a question we are unable to answer, we'll help you get the information you need. If your doctor needs information, we will point him or her to an expert in the mitochondrial medicine field for answers. And of course, we are here to listen in difficult times. UMDF connects patients to each other. UMDF Ambassadors across the nation provide patients and families with support in their state or region.
